Covid and TTP Update

- If your child has a high temperature, new persistent cough (dry) or lost the ability to taste or smell - it is important that you do not send your child to School.
- **LFT tests are not suitable to use will pupils under 11 therefore if your child has one of the three main symptoms you will need to arrange a PCR test by phoning 119.**
- Please follow the same process when informing the School of a test result.
- If you choose not to complete a PCR test for your symptomatic child your child will have to self isolate for 10 days from School.
- Please inform the School immediately if your child is showing symptoms or has tested positive to Covid.
- If the test is positive the School will follow county and TTP guidelines.
- Under the new guidelines if there is a positive case within the house any pupil under 18 without symptoms is able to attend School.

**** Remember that you need to continue to wear a mask when dropping off and collecting your child from School and try to leave School gate as quickly as possible. You should avoid staying for a chat outside the School gates.**

Parent Pay

Can any parents of new pupils please inform their School if they haven't received an activation letter for their Parent Pay account to order and pay for lunch.

If any other parents have not activated can you ensure that you do. If you have mislaid the activation code please contact your school and we will send you a new copy.

How School will be contacting you as parents

As county systems are changing the way email messages are sent to you by the schools from now on will come under the heading parent pay.

We continue to encourage you all to download the Ourschools app, if you haven't as yet. Through the app we will inform you of dates, news, letters and there will also be useful documents uploaded.

We will continue to celebrate the schools through Twitter and Facebook and the Federation website will continue to be updated.

Cysylltu a'r ysgol

Communication between school and home is vital. Can I ask you kindly to ensure all emails are sent to admin, the headteacher or the assistant head within your school. **Please do not contact teachers directly on their email addresses.**
